

Thrive

Thrive helps public tenants who are at-risk of eviction to retain their home.

Results

74% successfully exited the program.

Of the graduates:

- ✓ 94% felt more empowered.
- ✓ 81% had improved property standards.
- ✓ 91% were still managing independently after three months.
- ✓ 14% had reduced tenancy-related debt.

Conclusion

- ✓ The support provided by Thrive caused an improvement in clients' ability to manage their household.
- ✓ Most clients have a low income so even with improved financial management it is difficult to reduce debt.
